Janis  
Med Tech

*A big congratulations are in order for our April Employees of the Month, Janis Edinger and Krystal Morgan. Both have worked at Fieldstone Grandridge since we opened last May. They have been dedicated workers and go way above and beyond to make our residents feel loved and at home.*

Krystal  
Lead Dining Server

*Janis is a medical technician with our Nursing Department. She has been a CNA (Certified Nursing Assistant) for over 25 years. She absolutely loves our residents and working here at Fieldstone. Her daily interactions and sharing her animals with residents are what makes Janis' job so rewarding for her. At home, or her "Hobby Farm" as she refers to it, she loves caring for her animals (bunnies, goats, chickens, pups, a horse, and more). Janis loves to bring in her bunnies, pups, and baby goats each month to share with the residents. It makes her day to see the huge smiles on our residents faces when they get to hold her animal babies. Janis' personal philosophy is to "live and enjoy her life each moment of every day!"*

*Krystal is our Lead Server in the Dining Room. She has been working with retirement communities for over eight years now, and she loves it here. She loves the Fieldstone Corporate philosophy, which deeply cares for our residents, and our employee's well-being and happiness. Krystal has a very special connection with our residents, she feels like she makes a difference in their lives and feels that they have done the same for her. She believes this awareness has made her a deeper, more caring person. She has a clearer outlook on life, her patience has grown tremendously, she's more understanding and truly loves what she is doing here. She sees herself growing with Fieldstone as we continue to grow and expand. Krystal is the lucky Mommy of her daughter named "Rain"! Krystal says Rain is 5 years old going on 15 years...very wise beyond her years. Three words that Krystal feels best describes her are: "Loyal, Honesty and Passionate!"*

*We are so very proud and happy to have these two ladies part of our team here at Fieldstone Grandridge. Thank you for all you do each and every day!*

*Kennewick's April Employee of the Month is Kerri. Kerri is an amazing team player. She is always willing to help out where ever she is needed. She is always patient and kind with the residents and always has time to visit with them!*

*Fieldstone Grandridge's MARCH 'Employees of the Month' Maryann, Kaycee, and Gloria. Fieldstone Grandridge is so happy and honored to have these three women as part of our team. When we asked each of them what they like most about working here, their answers were unanimous. They each said how much they loved being here for our Residents, and they love the people that they work with! Maryann has worked as an Executive Chef, Sous Chef, and in other kitchen roles for the last 40 years. She is our cook extraordinaire, baking, and making everything look beautiful in hopes of putting a smile on our residents faces each and every day. In her spare time she enjoys music, movies, motorcycling with her hubby, and playing with their 2 pups. Kaycee has been a caregiver for a year now. Everyone loves Kaycee...with her bubbly personality there is never a dull moment. Listening to life stories, doing puzzles, calling BINGO are just a few ways Kaycee loves to spend time with our residents. In her free time, Kaycee spends her time with her 2 young daughters and her husband enjoying the great outdoors. Gloria is from Jamaica. She moved here and has been working as a caregiver for just over a year. She loves to make our*

Gloria's 8 year old daughter loves the residents and enjoys spending time here so much so that she has decided to become a doctor...so she can be a caregiver when she grows up. Thank you ladies for all that you do for our residents...YOU ARE AWESOME*
