Welcome Home

Step through our front doors and settle into the cozy lobby full of comfortable sitting areas, a warm stone fireplace, an inviting café, and a two-story atrium that draws in lots of natural light. And that's just the beginning. The whole community is designed for interaction and enjoyment – from the beautiful outdoor patio to the theatre, fitness studio, and dining room.

This is a place where family gathers and new friendships are formed. Every person plays an important role in creating our joyful and vibrant community.

Personalized Care

Whether residents are able to care for themselves or require assistance, our exceptional team is committed to providing the care and services that you or a loved one need. This may be as simple as taking time to sit and visit, or may include assistance with basic activities of daily living, such as bathing and dressing, transportation, or reminders to take medication.

Each of our apartments are licensed for assisted living, making an easy transition to other levels of care if needed.

Our Mission

Together we create a joyful and vibrant community.

Vibrant Living at Fieldstone

We believe that vibrant living is all about options. With a variety of activities, events and amenities at Fieldstone, you decide how you'd like to spend your day.

Join friends for a movie in the theatre or a game of billiards, take a fitness class or relax in the spa.

Enjoy a sunny day on the patio. Improve your golf game on the putting green, or exercise your green thumb in the raised planter gardens.

Start your day with a newspaper and a coffee in our first floor café. Then join friends for a dining experience that is second to none. Our chefs create signature, homemade dishes featuring fresh, seasonal ingredients.

Relax in our beautiful dining room or enjoy dining outdoors near the fountain and surrounding gardens.

Welcome to vibrant living.
